

ANNUAL REPORT: FISCAL YEAR 2025

TEXAS
VETERINARY MEDICAL
FOUNDATION

DEAR FRIENDS OF TVMF,

We are delighted to celebrate another successful year with you! For the past 47 years and with your unwavering support, the Foundation continues to push our mission forward.

In the past year, we welcomed two new members to the Foundation's Board of Trustees: Dr. Stacy Eckman of College Station and Dr. Devyn Schultz of Austin. We are also proud to have been featured in the Dallas Observer, highlighting the charitable work of veterinarians through the LEAP program.

The Foundation's impact is abundant—in both measured and long-lasting ways.

In this annual snapshot, you'll see both the number of lives impacted and the dollars distributed, along with a few lasting

accomplishments and milestones TVMF has achieved, thanks to the continued support of our loyal donors.

With your help, the Foundation is making a significant difference.

These accomplishments and milestones would simply not be possible without you. Thank you for backing the Foundation, our mission, and work for beloved animals and the veterinarians that care for them.

With gratitude,

Tracy McAdoo, DVM
TVMF President

- LEAP has been expanded to San Antonio in partnership with Meals on Wheels and local veterinary practices.
- The Texas A&M College of Veterinary Medicine & Biomedical Sciences (TAMU-CVM) Class of 1985 has officially endowed TVMF's veterinary student stethoscope program, ensuring that the program can continue in perpetuity.
- Fort Worth/Tarrant County Animal Foundation created an endowment to increase TVMF's student research grant opportunities for our future veterinarians and researchers.
- TVMA's Recent Graduate/Student Liaison Committee established a fund to support veterinary students to further their education and extra-curricular experiences.
- TVMF held the first-annual Research Scholars Presentations and participated in the first-annual TVMA General Session where the Foundation's programs and impact are celebrated on a statewide platform.
