HELPING LILY SMILE

Despite his limited income, Mr. S has always done everything he can to keep Lily healthy. When she developed a painful dental infection caused by a broken tooth, he was deeply concerned.

Recognizing both Lily's medical need and Mr. S's dedication, veterinarian Dr. Callaghan Hennessey of Penny Paws Richland Hills stepped in to advocate on their behalf. As a member of the Texas Veterinary Medical Association, Dr. Hennessey applied for the Rusk Veterinary Assistance Grant to help cover the cost of Lily's dental procedure.

"Having access to Rusk Grants as a TVMA member allows me to help clients who are doing everything they can for their pets but still face financial barriers," said Dr. Hennessey. "It means pets like Lily don't have to live in pain, and devoted owners don't have to feel helpless."

Your support makes stories like Lily's possible. Every gift helps a veterinarian say "yes" to a client in need and keeps beloved pets with the families who cherish them.

SUPPORTING FUTURE GENERATIONS

TVMF strengthens the future of veterinary medicine by investing in veterinary students today.

CHANGING LIVES THROUGH SCHOLARSHIPS

TVMF's scholarship and awards recipients are committed to making a difference in clinics, communities and classrooms.

With the support of generous donors, these future veterinarians can maintain focus on their education, practice and the impact they will make in the years ahead.

"By easing the financial burden of my education, it allows me to continue supporting the shelters and community programs I care so deeply about. In short, this scholarship doesn't just help me; it helps me keep helping them."

— **Francesca Weiher**, 2026
Philanthropy Scholarship
Recipient

"Your support reaches further than a single student; it shapes the veterinarian I will become and the communities I wish to impact. I hope to honor your generosity not only through my work but through the way I show up for the communities I serve." —

Alexandra Isler, 2026 One
Health Scholarship Recipient
